Mr. Cornelius Van H. Engert

Dear Van:

I am sorry to have been out of town when you telephoned on December 5th.

An wow know, from letter of 19 August, letter of 31 August, and the conversation which you held with on ? September, we have given considerable thought to ways and means in which we might take advantage of the generous proposition set forth in your letter of 29 July. Unfortunately, many factors - including the very marked change in temperature which has taken place since you wrote me - make it most difficult for us to work out any practical means of taking you up on your offer. Of course, I will keep you very much in mind, and should anything promising turn up, I will be in touch with you.

With warm regards,

Sincerely,

Allen W. Dulles Director
